

G. S. GRIFFIN

Whose announcement as a candidate for Sheriff of Rockcastle county, appears in this issue. Mr. Griffin was juror of this county for eight years and made one of the best officers the county has ever had. Three years ago, he was a candidate for sheriff, but was defeated by the present incumbent H. L. Tate, by a small majority. Whether victorious or defeated, he has always been a hard worker for his party's cause. If elected, his deputies will be D. G. Clark and Tom Nicely, the former, who is now riding under Mr. Tate, and the latter, who worked with Mr. Catron.

A POWER FOR GOOD.

The pills that are potent in their action and pleasant in effect are DeWitt's Little Early Risers. W. S. Philpot, of Albany, Ga., says: "During a bilious attack I took one. Small as it was it did me more good than calomel, blue mass or any other pill I ever took and at the same time the effect was pleasant. Little Early Risers are certainly an ideal pill." Sold by Mt. Health and strength cannot be restored to any sick man or weak woman without first restoring health and strength to the stomach. John Lutes the well known stock trader of Stanford, while here, sold to R. B. Hutchcraft and others 250 head of sheep at \$3.50 per head.—Paris Kentuckian

The big strike has demoralized the cattle market and as grass and water have been plentiful, farmers have been in no hurry to sell at prevailing prices, but all the cattle that would have been sold are still on hand and will eventually be forced on the market at what the trust may choose to pay for them. The outlook is not good for the holders of cattle.—[Ex.]

The corn crop is made and while later rains would cause the ears to fill a little better at the ends and would help late corn, still the bulk of the crop is made and in this section is a record breaker. The acreage is larger than usual as some wheat was plowed up last spring. We have heard of no sales so far but unless the drought in the corn belt north of the Ohio river and the excess of rain in some parts of the West should have a tendency to keep up prices, corn will not be high here this fall.—Ex.

J. Simms Wilson bought of L. A. Soper, of Little Rock, 11,000 bu. of bluegrass seed, at 42-cents per bu. F. M. Lockridge sold on Thursday, 13 head of 1,200 lb. feeders, to be taken from October 1st to 10th, at 4 1/2 cts. per pound, plus a premium of \$2 per head.—O. H. Downey, of Wellington, Menefee county, sold on Wednesday, 72 head of hogs, average 100-lbs. at 50. It was an extra good lot. He also sold to Bert O'Kear five sows and pigs at the same price.—Mt. Sterling Advocate.

A St. Louis special says: "It is pretty generally known that Kentucky's exhibit of tobacco elicits as much favorable comment as anything at the fair. This is not surprising to those who are responsible for the display, although they hardly hoped for the widespread attention which has been accorded it. While having for its main object the exploiting of Kentucky's greatest commercial product, it is also a lesson in tobacco culture and manufacture. Recently representatives of France, Ireland and Ceylon have made exhaustive studies of the display. France and Ireland have long been buyers of certain kinds of Kentucky tobacco, but it is cordently believed that the fact of their having through this exhibit, been made acquainted with other useful types, of which they were previously ignorant, will result in more of their supply being purchased from Kentucky and less from competing States."

Miss Condor was the only living daughter of Mr. and Mrs. P. M. Condor, who are almost heart-broken. Her two brothers, M. M. and George, were away from home with the Crab Orchard Band which was playing at the Somerset Fair. They were called by telephone, but did not get there in time to see their sister alive. May God help the grief-stricken family to bear this great sorrow.

REPORT OF THE SUNDAY SCHOOL CONVENTION, HELD AT SAND HILL.

The Sunday-school picnic held at Sand Hill on last Sabbath was a grand success. There were large delegations from Livingston, Pine Hill and many other parts of the county. (The program arranged was carried out nicely. After devotional exercises we were adjourned for dinner. The crowd was estimated at about 350 people but there was plenty on the board for all. Every one seemed thankful and happy and as our worthy county Supt., J. R. Stucky, expressed himself, too full to talk. However, he did his share of talking as well as eating.

We were called to order by singing. Next we enjoyed a short but impressive talk from Bro. H. G. Edwards, Supt. of Sunday-school at this place. Next comes our worthy friend Mr. Sullivan, from Pine Hill, not the great prize fighter, Sullivan, but a man having his feet shod with the preparation of the gospel and who is mightier than he.

Next, Bro. J. E. Blackburn, gives a very short but impressive talk. Next, Bro. Walton, Prof. I. S. Baldwin and others talk of S. S. Last, but not least, we enjoyed a talk from our county secretary, Mrs. Houston McFerron, who has just returned from the State Convention; she had many interesting things to tell. After a vote of thanks was given for the hospitalities we received, we were adjourned feeling greatly benefited and that love worketh no evil but fulfilling of the law. Let us all pray for more workers, for "The Harvest is Ripe and the Laborers are Few."

WHAT'S IN A NAME?

Everything is in the name when it comes to Witch Hazel Salve. E. C. DeWitt & Co., of Chicago, discovered some years ago how to make a salve from witch hazel that is a specific for Piles. Ask for DeWitt's—the genuine. Sold by the Mt. Vernon Drug Company.

Republicans admit that they
need the next House to help them
carry out their plans. They claim
that if it should happen to become
Democratic, of which there is a
very fair prospect, the Senate would
head off any un-Republican legisla-
tion it might inaugurate. On the
other hand if the House is Demo-
cratic it will be in a position to
head off any un-Democratic legisla-
tion coming from the Senate. It is
a poor rule which will not work
both ways. The trouble is the Re-
publicans want the whole hog, all
the time,—chairmanship of all the
important committees and all the
Clerkships.

Many Democrats are waiting for
Judge Parker's forthcoming letter
of acceptance. They hope it will
be clear and bold, and to the point.
Congressman Livingston, of Geor-
gia says the people of this country
want a man who will maintain the
law and preserve the constitutional
government. He would back up
the solid South with New York,
State, Washington, California, In-
diana, West Virginia, Maryland,
Colorado, and Wyoming. As to
Vermont and Maine he says he
doesn't care!

THE Republican State Central
Committee, after hearing state-
ments from both sides yesterday,
held that Dr. W. Godfrey Hunter's
certificate as the nominee for Con-
gress is illegal because proxies were
voted at the meeting, and directed
the Eleventh District Committee to
meet at Somerset September 21 to
re-canvass the returns of the pri-
mary. The decision was a victory
for D. C. Edwards. "[J]ust let them
keep on fighting, the longer the
better. Hon. George Stone, the
"long sycamore" from Casey, is
the proper man for the place any-
way.

It is known that there are over
5,000 Democratic newspapers in
this country which are supporting
Judge Parker for the Presidency.

SCRAPS

(BY JET.)

Hungry rats licked the glue of
some sandpaper in London. Bet
it was rough on rats.

London woman has invented tis-
sue paper underwear. Perhaps it
is to be worn with peek-a-boo shirt
waists.

At any rate, the meteorite that
plunged through a Paducah, Ky.,
lumber pile found "good country
board."

A Windy City man answers his
wife's divorce suit by declaring she
never tried to reform him. But,
then, woman's work is never done.

George Meredith, whose novels
deal with English high life, lives
simply. He built himself a house
not long ago. It was charming,
but very small.

A young woman with a letter of
introduction visited Mr. Meredith
as his home was being completed.
With some pride he showed her
over the building, but she, a little
disappointed, said: "In your books
you describe huge castles and spa-
cious baronial halls, but when
you come to build, you put up a
little bit of a house like this. Why
is it?"

"It is because," replied the poet,
"words are cheaper than stones."

One on Rostand.—Edmond Ros-
tand, the well known dramatic
author, was the other day the hero
of a little episode which might fur-
nish him with the material for a
scene in a future play. During a
visit to a friend in the country M.
Rostand was requested to accom-
pany him to the Mairie, in order to
register the friend's new-born in-
fant. The adjunct of the Mairie, a
conscientious little man, booked
the infant, and then turned to M.
Rostand as the first witness.

"Your name, sir?"
"Edmond Rostand."
"Your vocation?"
"Man of letters and member of
the French Academy."

"Very well," replied the official;
"you have to sign your name. Can
you write? If not, make a cross." The
witness, though deeply im-

pressed by the solemnity of the
ceremony, broke out into a roar
of laughter, in which the father
joined, much to the scandal of
the Mairie's adjunct, who to this
hour fails to see the joke of sug-
gesting to a member of the French
Academy the alternative of "mak-
ing his mark."

"The Russian press, of course,
claims that the plain people are
supporting the Government hearti-
ly, and that on every hand enthu-
siastic volunteers pour in. But that
is not true. A friend of mine in
Moscow wrote me the other day
of a joke that is being quietly cir-
culated, and this joke shows pretty
clearly the different views that the
Government and the common peo-
ple take of the war.

"Two men, according to the
story, were out walking, when they
saw a crowd jostling and shoving,
while from within the crowd came
loud sobs, cries of pain, oaths and
blows.

"What on earth is the matter?"
said the first man.

"Oh," said his companion in-
differently, "It is only a Govern-
ment officer forcing a peasant to
turn volunteer."

They ain't no man dat's sho' er

POLITICS AND POLITICIANS

New Hampshire democrats, in
convention at Concord, nominated
Henry F. Hollis for Governor.

Mr. Bryan has announced to
Chairman Taggart that he will be
ready to take the stump for Parker
October 1.

The democrats of Wisconsin in
convention at Oshkosh nominated
former Gov. George W. Peck, of
Milwaukee, for Governor.

Judge Parker will leave Escopus
for St. Louis September 24. No
speeches will be made either at St.
Louis or en route going or return-
ing.

The democrats of Connecticut,
in convention at New Haven, nomi-
nated a State ticket headed by A.
Heaton Robertson, of New Haven,
for Governor.

The joint gubernatorial campaign
in Tennessee was opened at Jack-
son by Gov. Frazier, the democratic
nominee, and Jesse M. Littleton,
the republican nominee.

Returns from the election in Ar-
kansas indicate the success of the
entire Democratic ticket, the ma-
jority given Gov. Davis over his
Republican opponent, the Hon.
Harry Myers, probably being in
excess of that given two years ago,
which was nearly 50,000.

A special committee appointed
by the Commercial Club has ad-
dressed a letter to the members of
the Legislature requesting that a
new site for the State Capitol build-
ing be chosen in case a special ses-
sion be called to take action in the
matter.

Senator Fairbanks, the Republi-
can nominee for Vice-President,
formally opened the Republican
campaign in Missouri Friday night
with a speech to a large audience
at Kansas City. During the day
he delivered an address in Kansas
City, Kan.

The monument erected by the
State of Michigan in commemora-
tion of the Kentuckians who fell at
the battle of the River Raisin was
dedicated Friday at Monroe, Mich.,
with elaborate ceremonies. H. V.
McChesney and Bennett H. Young
were among those who delivered
addresses.

As a sample of the way our re-
publican friends count votes up in
Eleventh district we will take the
counties of Bell and Letcher. In
Bell county the Hunter statistics

say that 2,788 votes were cast while
the Edwards table makes the total
vote in the county at 1,644, a slight
difference of 1,144 votes in one
party in one county. In Letcher
county the Hunter figures put the
total vote at 338, while the Edwards
people put the vote at more than
twice that many or 785, which is
132 per cent. more than the Hunter
allowance. When they will play
such tricks on each other, what
showing have the democrats when
the two factions are united? Are
the majorities for this district in
past elections to be considered
wonderful, when the number of
votes counted bear no particular
relation to the number cast? And
do not the revelations now being

The only kind of consump-

THE SUNDAY BIBLE SCHOOL

Lesson in the International Series
for September 11, 1904—"Elijah
Taken Up Into Heaven."

(Prepared by the "Highway and By-
way" Preacher.)
(Copyright, 1904, by J. M. Edson.)

LESSON TEXT.

(2 Kings 2:1-11; Memory Verses, 3-11.)

1. And it came to pass, when the Lord
would take up Elijah into Heaven by a
whirlwind, that Elijah went with Elisha
from Gilgal.

2. And Elisha said unto Elijah, Tarry
here, I pray thee; for the Lord hath sent
me to Bethel. And Elisha said unto him,
As the Lord liveth, and as thy soul liveth,
I will not leave thee. So they went down
to Bethel.

3. And the sons of the prophets that were
at Bethel came forth to Elisha, and said
unto him, Knowest thou that the Lord will
take away thy master from thy head to-
day? And he said, Yea, I know it; hold ye
your peace.

4. And Elisha said unto him, Elisha, tarry
here, I pray thee; for the Lord hath
sent me to Jericho. And he said, As the
Lord liveth, and as thy soul liveth, I will
not leave thee. So they came to Jericho.

5. And the sons of the prophets that were
at Jericho came to Elisha, and said unto
him, Knowest thou that the Lord will take
away thy master from thy head to-day?
And he answered, Yea, I know it; hold ye
your peace.

6. And Elisha said unto him, Tarry, I pray
thee; for the Lord hath sent me to Jordan.
And he said, As the Lord liveth, and as
thy soul liveth, I will not leave thee. And
they two went on.

7. And fifty men of the sons of the prophe-
ts went, and stood to view afar off; and
they two were divided hither and thither, so
that they two went over on dry ground.

8. And Elisha took his mantle, and wrapped
it together, and smote the waters, and they
were divided hither and thither, so that
they two went over on dry ground.

9. And it came to pass, when they were
one over, that Elisha said unto Elisha, ask
what I shall do for thee, before I be
taken away from thee. And Elisha said,
pray thee, let a double portion of thy
spirit be upon me.

10. And he said, Thou hast asked a hard
thing; nevertheless, if thou see me when I
am taken from thee, it shall be so unto
thee; but if not, it shall not be so.

11. And it came to pass, when they still went
on, and talked, that, behold, there appeared
a chariot of fire, and horses of fire, and
they two were parted; and Elisha went
on by a whirlwind into Heaven.

THE LESSON includes the first chapter
of 1 Kings, which gives us the last portion
of Elisha.

GOLDEN TEXT—"The word was not; for God
speaketh."—Gen. 22.

TIME.—Something over ten years after the
events of the last lesson.

PLACE.—Elisha started at Gilgal and
travelled with Elisha toward the south-
east, through Bethel and Jericho, and then
crossed the Jordan, perhaps to Mount Nebo.
Comparing Scripture with Scripture.

Testing of Elisha.—As one reads this
lesson the question is forced upon us,
Did Elisha wish to get away from
Elisha? In the light of verse 9 I think
we must say "No." The angel of God
did not want to get away from Jacob,
and yet he said "let me go." He wished
to test Jacob, and the testing completed
the blessings followed (Gen. 32:24-28).
Elisha, knowing of his early departure,
would test Elisha and prove his fitness
as his successor. Testing is not for the
purpose of destroying but to prove fit-
ness for service. Jacob held on and got
the blessing. Elisha followed his mas-
ter and obtained his request. The Syro-
chenean woman is a striking exam-
ple of persistence obtaining the bless-
ing. Matt. 15:22-28. God tests His chil-
dren (Heb. 12:6, 7, 11) and the Chris-
tian is admonished to rejoice in the
testing.—Jas. 1:2-4.

Elisha was persistent. He had the
unfailing of a Paul. Phil. 3:13. He
saw the glory of blessing ahead and he
was determined to have it at all hazards.
This is one of the indispensable quali-
ties in God's servants. If they lack it,
they prove unfit for the responsible
places in Christ's kingdom.

(2) Watchful. No heavy eyes ever saw
God's glory. No sluggish heart ever felt
the exquisite heart beat of the Divine
presence. That Elisha was to be taken
up into Heaven had in some way been
revealed to Elisha and the students as
the schools of the prophets at Gilgal,
Bethel and Jericho, vs. 3, 5. Elisha was
determined to behold that glorious sight.
If Elisha followed him in the watch tower,
and the natural eye, obedient to the soul
earning, was faithfully keeping Elisha
in view. Gilgal is left behind and Bethel
reached, but nothing can divert the
attention of Elisha, nothing can make
him tarry behind. Jericho is visited and
till Elisha hangs on. The Jordan is
sacred. If Elisha goes down into its
depths, Elisha will follow. Ah, how
many Christians are back on the hill-
top with the 50 sons of the prophets,
when they ought to be following hard
after the blessing.

(3) Ambitious. "Let a double por-
tion of thy spirit be upon me." True am-
bition finds its center and object in God.
Elisha was ambitious for God as a pos-
session, that he might more effectively
serve God during the apostate state of
the kingdom. The ambition that makes
God its end and aim and purpose is the
safe ambition. We are told to "covet the
best gifts." 1 Cor. 12:31. The great
rouble with Christian people is that
they ask and receive not because they
ask amiss, that they may consume it
upon their lusts. Jas. 4:3. The assur-
ance of Rom. 8:26-27 is blessed encour-
agement.

(4) Triumphant. "Elisha saw it."
12. Elisha's intensity of purpose ob-
tained for him the promise. The Chris-
tian may always win spiritual triumph.
Cor. 2:4. The amount of spiritual bless-
ing God is willing to give is dependent
wholly upon our capacity to receive. We
need to pray for larger capacity.

THE GOLDEN TEXT.
"He was Not; for God Took Him."
Dr. G. Campbell Morgan tells of a little
child who gave a most exquisite explana-
tion of walking with God. She went
home from Sunday school, and the
mother said: "Tell me what you learned
at school." And she said: "Don't you
know, mother, we have been hearing
about a man who used to go for walks
with God. His name was Enoch. And
mother, one day they went for an extra
long walk, and they walked on and on,
until God said to Enoch: 'You are a
long way from home; you had better
come in and stay.' And he went."

The arithmometer is a wonderful machine. If you have never seen one drop in at the Bank of Mt. Vernon and see it add up great columns of figures as fast as pouring corn into a hopper. It not only does the adding but prints the result in plain figures.

Labor Day was appropriately observed at Johnetta, the mining camp of the Big Hill Coal Co., last Monday. A large crowd was present and everything passed off quietly. W. C. Webb, of Pittsburg, delivered an address on labor and the good of the United Mine Workers' Order. County Attorney L. W. Bethurum also made a short talk.

All these, and the Masons especially, who took so much interest in the Times' Business Woman's Popularity Contest, will be pleased to know that Miss Minnie Brooks won first prize, which consists of Piano valued at \$400.00; a piano, valued at \$250.00, and piano music, \$50.00. The second prize was awarded Miss Bee Mullarkey, and the third, Miss Maggie Hale.

Messrs. J. H. Dunn and R. H. Hamm, of Brodhead. C. C. Williams, W. L. Richards, W. M. Poynter, Jonas McKenzie, F. L. Thompson and the writer, from Mt. Vernon, Mr. and Mrs. M. F. Craig, Mr. and Mrs. A. G. Craig and Mr. and Mrs. J. B. Sutton were the recipients of a most delightful day spent last Sunday at the pleasant and hospitable home of Mr. and Mrs. John E. Craig. It was indeed a day of feasting and real enjoyment. Mr. Craig has just completed his new residence and has an ideal country home, located in the best part of the Big Glades section. John, who is one of the best democrats in the world, is very sanguine of Parker's election and delights to talk of the time which will soon be here, when a democrat will again occupy the White House and his three little boys, Joe Sam, Ben and David and step-son, Willie McBee, are equally as strong in the faith as their father. The culinary department in charge of Mrs. Craig, who is recognized as one of the best cooks in the county, assisted by her daughter, Miss Lillie McBee, her niece, Miss Joan Craig, Mesdames A. G. and M. F. Craig, was carefully looked after and the splendid dinner was thoroughly enjoyed. In the afternoon, the party visited the old spring and there saw the bucket, suspended on a wire coming down the hill, and being filled by the very best of aquapura, was carried back to the home of O. F. Hamm, a distance of over one hundred yards. This is one of the greatest conveniences we have ever seen, especially for farmers, who have to carry water any distance. Just at this time the announcement was made that the water melons were ready and it was useless to say that C. C. Williams led the procession. T. C. and R. E. Hamm, who had just arrived, made faithful hands in helping dispose of a dozen or more of that splendid production of mother earth. The time to make our departure having arrived all were loathe to leave, and felt that it was good for us to have been there.

FOR SALE.—A fine cow and calf. J. H. ALBRIGHT, Brodhead, Ky. aug-26-3t.

The Mt. Vernon Collegiate Institute will open Monday Sept. 19, with Miss Ida M. Taylor as Principal. A splendid corps of teachers has been secured, and the patrons and pupils generally, can look forward to a successful year. This is a home institution and if not patronized by home people, when properly conducted, how can it survive. Miss Taylor's past record shows her to be a teacher of exceptional ability, and if she can only receive the encouragement from the people, which she should have, we are confident the school will be a great success.

If we ever expect anything like a regular season of weather, rains etc., in this locality, it will be necessary to establish a weather bureau. While a large portion of our county has been pretty well established with rains this year, this locality including the ridge beginning this side of Brodhead and running beyond Pine Hill—two to three miles wide—has experienced a drought and is yet within its grasp. It seems that this ridge simply splits the clouds and throws the rain to Skaggs, Roundstone and other valleys.

Bradley Mullins, son of Deputy U. S. Marshal John Mullins, is a patient at the P. A. C. Infirmary as the result of injuries received by being struck by a train at Ft. Estill. Young Mullins, in company with some friends, was waiting at the above named station for a South bound train. Growing tired he thought he would rest on the track but soon fell asleep and was struck by the train. He received a broken thigh and his left leg was broken in three places besides being otherwise injured. He was brought to the city where he is receiving every attention.—Richmond Climax.

The last General Assembly of Kentucky passed a bill providing for the return to the viva voce mode of voting in this State, and many of the voters of the State are being misinformed by the papers as to when the vote by the people on this subject is to be taken. It will not be taken until the regular election in November 1905. That portion of our State Constitution providing for amendment to our fundamental law says: "Such proposed amendment or amendments shall be submitted to the voters of the State for their ratification or rejection at the next general election for the members of the House of Representatives." That means in this case next year.

WHAT IS LIFE?

In the last analysis nobody knows, but we do know that it is under strict law. Abuse that law even slightly, pain results. Irregular living means derangement of the organs, resulting in constipation, headache or liver trouble. Dr. King's New Life Pills quickly readjust this. It's gentle, yet thorough. Only 25c. at all druggists.

"My father once had a steward who got divorced because his wife said the wrong thing to him. The whole trouble grew out of a jug of ale.

"The steward, one dark winter afternoon, started down cellar with a big jug to bring up some ale. He reached the ale barrel, filled the jug, and started back rather hurriedly, for the poor chap was thirsty when his foot caught in a hole, and down he went like a shot.

"As he rose slowly, groaning and sighing, his wife came to the head of the stairs and called:

"Have you broke the jug, dear?"

"No, but I will," said the steward, and he smashed it against the wall into a thousand pieces."

CURED OF LAME BACK

AFTER FIFTEEN YEARS OF SUFFERING.

"I had been troubled with lame back for fifteen years and I found a complete recovery in the use of Chamberlain's Pain Balm," says John G. Bisher, Gilliam, Ind. This liniment is also without an equal for sprains and bruises. It is for sale by Chas. C. Davis.

One of the most remarkable cases of a cold, deep-seated on the lungs, causing pneumonia, is that of Mrs. Gertrude E. Fenner, Marion, Ind., who was entirely cured by the use of One Minute Cough Cure. She says: "The coughing and straining so weakened me that I ran down in weight from 148 to 92 pounds. I tried a number of remedies to no avail until I used One Minute Cough Cure. Four bottles of this wonderful remedy cured me entirely of the cough, strengthened my lungs and restored me to my normal weight, health and strength." Sold by Mt. Vernon Drug Company.

FEARFUL ODDS AGAINST HIM.

Bedridden, alone and destitute. Such, in brief was the condition of an old soldier by name of J. J. Havens, Versailles, O. For years he was troubled with kidney disease and neither doctors nor medicines gave him relief. At length he tried Electric Bitters. It put him on his feet in short order and now he testifies: "I'm on the road to complete recovery." Best on earth for liver and kidney troubles and all forms of stomach and bowel complaints. Only 50c. Guaranteed by all druggists.

"The fat," he said, "are always bemoaning their flesh, always vowing that they are dieting and exercising in order to lose weight; but if you inquire into the extent of their exercise and diet you'll get surprising answers.

"I know two brokers who are tremendously fat. I met them in a Wall Street office the other day. Blank, the younger of the two, complained that he was getting fatter.

"Well," said I, "why don't you exercise?"

"He looked at me, and then at his enormous companion. "I do," he said. "Seldom a day passes that I do not walk two or three times around Smith here."

THREE JURORS CURED

OF CHOLERA MORBUS WITH ONE SMALL BOTTLE OF CHAMBERLAIN'S COLIC, CHOLERA AND DIARRHOEA REMEDY.

Mr. G. W. Fowler, of Hightower, Ala., relates an experience he had while serving on a petit jury in a murder case at Edwardsville, county seat of Cleburne county, Ala. He says: "While there I ate some fresh meat and some souse meat and it gave me cholera morbus in a very severe form. I was never more sick in my life and sent to the drug store for a certain cholera mixture, but the druggist sent me a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy instead, saying that he had what I sent for, but that this medicine was so much better he would rather send it to me in the fix I was in. I took one dose of it and was better in five minutes. The second dose cured me entirely. Two fellow jurors were afflicted in the same manner and one twenty-five cent bottle cured the three of us." For sale by Chas. C. Davis.

ALTON B. PARKER says:

"I Read the NEW YORK WORLD Every Day."

THE WORLD Elected Cleveland.
"It may be said without reservation that if the Democratic party in my first campaign had backed the [for, and] and potent advocacy of Democratic principles at that time by the NEW YORK WORLD the result might have been reversed."—Grover Cleveland's Letter to The World, May 10, 1903.

Bryan ON THE WORLD.
"THE WORLD never during the past twenty years considered itself a daily paper. It promised to spread 'practical, civic principles and truly Democratic ideas, and it has done so. It will do so, with entire independence of loyalties, schemes, and platforms, following only the dictates of its conscience.'—Quoted, with approval, by William J. Bryan in the Commonwealth, July 10, 1903.

BOTH SIDES OF THE GREAT POLITICAL ATLAS FULLY AND FAIRLY GIVEN.

FIRST NEWS! BEST NEWS!

THE WORLD as the "Chief Champion in America of Democratic Ideas" will be the most interesting newspaper in the country in this Presidential campaign.

It already has a much larger daily circulation than any other morning newspaper in America.

We are beginning a campaign that promises to be memorable in history. By a single act of inspired courage the Democratic leader has restored his party to its old place as the instrument of enlightened reform, sane and practical liberalism, clear-headed progressiveness and constitutional government.

While the question of the standard of value remained an issue all other topics were submerged and the Democracy could not play its historical part. In the absence of that restraining force the Republican party has rioted in imperialism, centralization, militarism, extravagance and privileged injustice. Now the time has come when it can be called to account. Once more a party wisely, bravely and honestly led can raise with hopefulness Tilden's old war cry, "Turn the rascals out!"

The Democracy is ready to correct the abuses of a monopoly-breeding tariff, to promote trade with our neighbors in Canada, to cut short the insane rivalry with the military powers of Europe in armaments made needless by three thousand miles of ocean, to substitute the reign of law for the personal caprice of an arbitrary ruler, to restore economy and integrity in government, to bring arrogant combinations of capital under legal restraint, and to discourage the permanent acclimatization of the American flag in any country in which the Declaration of Independence is a seditious document. To the attainment of these ends The World pledges all its energies.

To encourage the prompt formation of clubs for the campaign a special commission of 20 per cent. will be allowed to agents or parties forming clubs of ten or more in any town.

An active agent wanted in every election district. Write for particulars.

Sample copies supplied free on application.

Every subscription will be for the DAILY MORNING WORLD for FOUR MONTHS from the date it begins. This offer is for mail subscribers ONLY. Address THE WORLD CAMPAIGN CLUB, Publisher Building, New York.

Indigestion Causes Catarrh of the Stomach.

For many years it has been supposed that Catarrh of the Stomach caused indigestion and dyspepsia, but the truth is exactly the opposite. Indigestion causes catarrh. Repeated attacks of indigestion inflame the mucous membrane lining the stomach and expose the nerves of the stomach, thus causing the glands to secrete mucin instead of the juices of natural digestion. This is called Catarrh of the Stomach.

Kodol Dyspepsia Cure

relieves all inflammation of the mucous membrane lining the stomach, protects the nerves, and cures bad breath, sour risings, a sense of fullness after eating, indigestion, dyspepsia and all stomach troubles.
